Writing

Hello! Recently I saw an announcement on this website and just could not resist but to write an article about this film. It is called "Joker", you may think, "Is that the clown guy who chases Batman all the time?" - Well, yes but in <sup>the</sup> film he is totally different than in the comics.

The story is about Arthur Morgan - a pretty much decent guy, who still couldn't find any normal job. He contributes in stand ups, tells various jokes there. However, there is one problem and the thing I like this film for - his mental problem of uncontrollable laughing. Just imagine: You are in a bus and then suddenly you begin to laugh, the next moment every other person is looking at you like you are a psycho. - Terrible but interesting at the same moment. Arthur deals with these situations every day, until one accident...

So? Did I manage to interest you? I hope so, because nowadays it is very difficult to find a good movie. You always need to check reviews before watching them to simply understand if you would like it or not. That is all for the article! Have a great day and watch ~~films~~ films that you like!
